Amendment dated March 2, 2007
Reply to Office Action of February 9, 2007

REMARKS/ARGUMENTS

The Office Action of February 9, 2007, has been carefully reviewed and these remarks are responsive thereto. Claim 11 has been amended. Claims 1-21 remain pending in this application. Reconsideration and allowance of the instant application are respectfully requested. No new matter has been added.

Preliminarily, Applicants wish to express their appreciation to Examiner Frejd for having identified claims 1-21 as having contained allowable subject matter at page 3 of the Office Action. Applicants submit that entry of the present paper obviates any remaining rejections.

Summary of Telephonic Interview and Rejection under 35 U.S.C. § 101

Applicants thank Examiner Frejd for the telephonic interview with undersigned counsel on March 2, 2007. This section and the remainder of this Response constitute the summary of the interview as required by USPTO rules.

During the interview, Applicants' undersigned counsel and Examiner Frejd discussed the pending rejection of the claims under 35 U.S.C. § 101. Applicants previously amended claims 1 and 21 to recite a tangible computer readable medium, which precludes the ability to read the claims on a carrier signal. Such claims are thus statutory and allowable in their current form.

Applicants presently amend claim 11 to recite that, upon reading the data structure, weather based on the stored data is rendered on a display screen for presentation to a user, and therefore claim 11 provides a concrete, tangible, and useful result. Claim 11 is believed allowable, as agreed with Examiner Frejd during the Interview. If Applicants' undersigned counsel's understanding is incorrect, Examiner Frejd is invited to call undersigned counsel at (202) 824-3153.

CONCLUSION

All issues and rejections having been addressed, applicant respectfully submits that the instant application is in condition for allowance, and respectfully solicits prompt

notification of the same. However, if for any reason the Examiner believes the application is not in condition for allowance or there are any questions, the Examiner is requested to contact the undersigned at (202) 824-3153.
